WHY VETERANS CONTRACTING GROUP — SDVOSB CONSTRUCTION PARTNER

- **Proven Federal Prime Commercial Contractor** — Prime contractor on federal construction projects for over 18 years.
- **Self-Performing leadership** — In-House construction management, P.E.-Led quality control, experienced field superintendents, never a pass-through prime.
- **Mission-Critical execution** — Delivers complex mechanical, electrical, and civil scopes inside active hospitals without disrupting patient care.
- **Socioeconomic credit** — Primes and agencies earn SDVOSB participation credit toward small-Business subcontracting goals.

ACTIVE FEDERAL CONTRACTS & PERFORMANCE RECORD

- **James J. Peters VAMC, Bronx, NY — Boiler Plant Replacement** (Project No. 526-22-900; Contract No. 36C77626C0002): Full central plant replacement with temporary boiler operation, steam and mechanical systems, emergency power, and phased demolition at an active medical center. **ACTIVE**
- **James J. Peters VAMC, Bronx, NY — Emergency Department Renovation:** Phased renovation of an operating ED under strict ICRA / ILSM and life-Safety controls. **ACTIVE**
